Re: Guozhi JIANG

I write to confirm that we at the Steno Diabetes Center, are happy to host Mr. Guozhi JIANG during the period 19th April–24th April 2015, under the recommendation from Prof. Ronald Ma from the Chinese University of Hong Kong, to visit our center in order to work together on epidemiological analyses of diabetes, as well as to develop collaborative projects. The cost of the visit, including travel and accommodation costs, will all be covered by the parent team from the Chinese University of Hong Kong.

Thank you for your kind help and attention.

If you require any further information, please do not hesitate to contact me on (+45) 30 75 87 38.

Yours sincerely,
